## TECHNICAL SKILS

**Langauges** : HTML,CSS,JAVASCRIPT.
**Frameworks/Libraries** : Bootstrap,React.Js.
**Tools** : Git , Vs Code , Postman.

## PROJECTS

**E-Commerce Website**
- This project showcases a robust e-commerce application built using modern web development technologies Like **React js, Bootstrap and JavaScript, Firebse, Redux-Toolkit,Firebase and RazorPay** . It provides a seamless online shopping experience, empowering users with the following key functionalities:
- **Comprehensive Authentication**: Users can register and securely log in to their accounts, enabling personalized shopping experiences.
- **Intuitive Product Browsing**: Well-structured product listings allow users to easily discover and explore your offerings. (Consider adding details about product filtering, sorting, or search options if applicable.)
- **Firebase Integration**: Firebase's scalable backend ensures efficient data management, user authentication, and potentially cloud storage for product images (if applicable).
- **Redux Toolkit (Optional)**: (If implemented) Highlight the use of Redux Toolkit for centralized state management, enhancing application complexity and maintainability.

**Tourist Places Website**
- Developed a comprehensive tourist website focusing on attractions from different states in India using HTML, CSS, and JavaScript.
- Incorporated search functionality and filtering options to help users find specific tourist destinations based on their preferences.
- Utilized JavaScript for dynamic content loading, providing users with a smooth and interactive browsing experience.

## COURSES

- Completed [Frontend Development Course] with a focus on modern web development technologies.
- Developed proficiency in HTML, CSS, and JavaScript, gaining hands-on experience in building responsive and user-friendly web interfaces.
- Acquired knowledge in frontend frameworks such as React.js, enhancing understanding of frontend development best practices.
- Demonstrated ability to collaborate effectively in team projects, applying problem-solving skills to overcome challenges and deliver high-quality solutions.

## DECLARATION

I hereby declare that all information furnished above is true to the knowlegde of my faith and belief.
